THANKSGIVING POINT TEAM MEMBER

OFFICE TRICK-OR-TREAT!

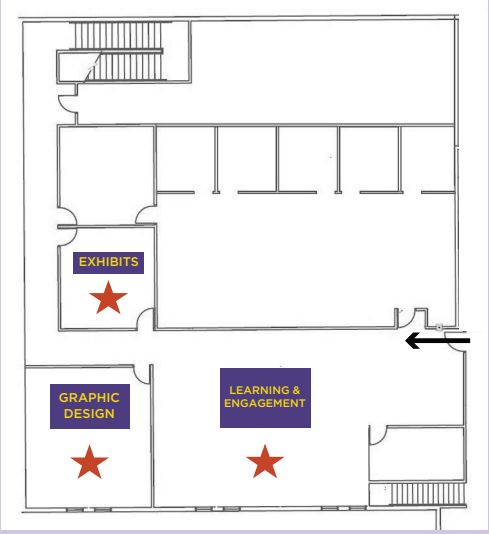
FRIDAY, OCTOBER 30 · 1-5 PM

HOW IT WORKS:

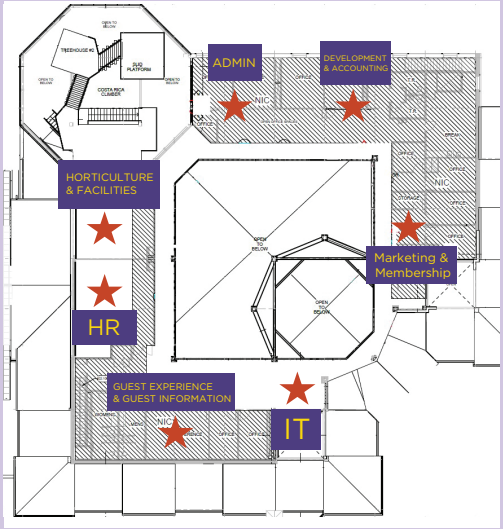
Departments will decorate and set up trick-or-treat stations located on the second floors of the Butterfly Biosphere, Tower Deli and Mountain America Museum of Ancient Life. See the attached maps for station locations. If you don't have an office in these areas but would like to set up a station, you can join with a sister department at their station (e.g. Venue team members will participate in the "Guest Experiences" area in the Butterfly Biosphere conference room).

Thanksgiving Point will provide candy & a candy bucket for each station. We encourage employees to dress up in work-appropriate costumes and add Halloween decorations around your station to participate in the festivities.

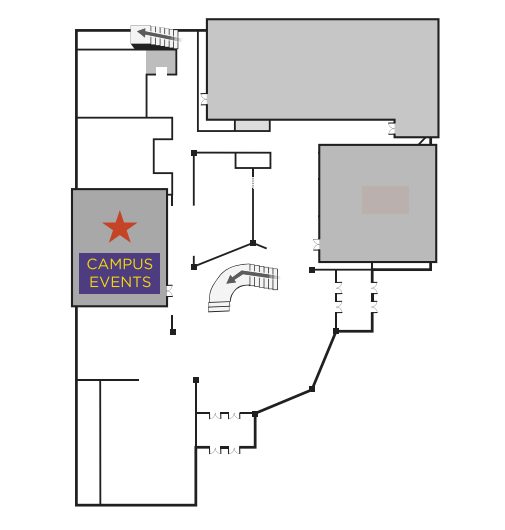
There will be a few prizes for some of the best costumes, and a prize for the best overall station so you'll want to bring your spookiest tricks to win the best treats!



Mountain America Museum of Ancient Life Trick-or-Treat Stations



Butterfly Biosphere Trick-or-Treat Stations



Tower Deli Trick-or-Treat Stations

ALL TEAM MEMBERS ARE INVITED TO BRING THEIR FAVORITE TRICK-OR-TREATERS (KIDS OR GRANDKIDS)!
