Each additional guest \$12

Friday – Saturday: \$28,000  
Includes admission for up to 2000 guests.  
Each additional guest \$12

Don Lessem, nicknamed Dino Don, was the science advisor to Steven Spielberg on the original Jurassic Park film and to Universal and Disney theme parks. He created the animatronic dinosaurs at Dinosaur Island. When talking about his animatronic dinosaurs he said, “We have gone to great lengths to ensure the most accurate dinosaur robots in the world, and dinosaur fans love them.”
