Primitive Rose with Leaves & Berries

with Julie Neuffer

Description:

This sweet project is a wonderful introduction to traditional needle turn applique and is a great way to hone your applique skills if you've already been bitten by the slow stitching bug. Primitive Rose is a timeless pattern that can be done in any variety of colors and prints. In class we will learn all of the skills necessary to execute this lovely pattern, including design placement, points, curves, valleys and perfect circles. As a special treat we will do a fun introduction to English Paper Piecing. Pre-class questions can be directed to Julie at jneuffer100@hotmail.com

Technique: Needle Turn Applique, English Paper Piecing

Skill Level: Beginner

Class Fee: \$69

Required Supplies:

*Optional project bag available to purchase from Julie in class:
includes practice block and other helpful items for \$25*

Fabric For this quilt Julie used a large scale, honey-colored floral on a cream background with muted pink, green and gold fabrics for the applique shapes. **Laundering and pressing your fabrics prior to starting this project is highly recommended.

- 2 yards background fabric in a light or muted print or small geometric
- 1 yard of fabric for the rose petals (large florals, stripes and plaids are lovely in this pattern)
- 1/2 yard of a variety of greens for the leaves

Some pretty "bits" of scraps for the berries (equiv. of 1 fat eighth yard)

- 1/2 yard of medium toned fabric for inner border (I used a stripe for visual movement)
- 1 1/2 yards dark fabric for outer border and applique medallions (a tone-on-tone floral or swirly print creates impact)
- 1/2 yard dark fabric for binding

Tools In addition to basic sewing supplies:

- Comfortable thimble
- Applique scissors with a 5 1/2"-6" serrated edge (Kai, Havel's or Karen Kay Buckley brands are best)
- Scissors for cutting paper and template plastic
- Straw Needles #10 (Foxglove Cottage are my favorites)
- Applique Pins
- Fabric Marking Pencils in white and black
- 100% cotton thread to match applique shapes
- Compact sewing lamp
- Pair of magnifying readers for close up work
- Sand board for tracing applique shapes
- Travel size light box helpful
- Basic Sewing Supplies (straight pins and pin cushion, scissors, seam ripper, fabric marking pen or pencil, small cutting mat (no larger than 12x18), and a rotary cutter)

Fall Garden

with LaVonne Jackson

Description:

This quilt will teach a quarter-square triangle method that places the stem piece in it as part of the block to coordinate with the stem block below. In this method, two blocks with opposite rotations are made. We will also explore two different methods for making half-square triangles to decorate the center strips in the pumpkin blocks. There are three different blocks that we will make to put this quilt together. Two templates will be available for purchase in-person: 2" and 4" (finished size of block) with diagonal lines that go from corner to corner for the purpose of squaring the block and using the diagonal lines over the seams to trim.

Project Bags 2.0

Class Description

Learn easy techniques for quilting with Soft and Stable, sewing on vinyl, installing zippers, and binding as you make these handy project bags.

Great for organizing everything you need for each of your projects, the handy totes in four sizes have sturdy quilted bases and fun fabric details.

A zippered closure keeps everything safe and secure and a see-through vinyl window allows you to see at a glance what is in each bag.

Quick and easy to make, the bags make great gifts, too!

Class Supply List

In this class you may make any size of the Project Bags in the pattern.

We recommend that you concentrate on one of the larger sizes so that you will understand the process for the others.

You will need the following supplies in class:

- ☐ **Project Bags 2.0 pattern**
- ☐ **Fabric and supplies as listed on pattern back cover** (see next page)

ALSO BRING TO CLASS

- ☐ Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. If you have a nonstick/Teflon foot for your machine, bring it, too, to facilitate stitching on the vinyl. Don't forget the extension table for your machine, too.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (the large yellow-topped quilting pins work best), scissors, thread, chalk marker or similar tool for marking lines, etc.

BEFORE CLASS

- ☐ To make best use of class time, please gather your supplies and complete all of step **I-A. Cut** on page 2 of the pattern BEFORE coming to class.
- ☐ If you feel comfortable with machine quilting, you may also complete steps **I-B. Quilt** and **I-C. Cut Quilted Fabric and Seal Edges** on page 3 to quilt and trim the pieces for the size bag that you are making.

Curvelets

with Jen Carlton-Bailly

Description:

Curvelets (kerv•lets) noun: itty bitty hand-sewn curves. Slow down, take a seat, quiet your mind, and start stitching. In this class, students will learn how to prep, mark, cut, hand-sew, and piece together these tiny curves that finish at just one inch! Don't let them scare you – embrace these tiny curves as something fun and new that you can take wherever you go! This is a confident beginner-level class – no prior hand sewing skills are needed.

Pineapple Block Foundation Paper Piecing

with Amber Johnson

Description:

Learn Amber's "Grab 'n Go" method of Foundation Paper Piecing (FPP) while making a classic pineapple block! This is a great block to learn FPP because it just uses squares and strips (no triangles!) and repeats the same few steps over and over. This is a great stash buster project and the oversized blocks (12-3/8" finished) give you a lot of bang for your buck. This block looks a lot harder than it really is! Plan on getting one block done in class.

Technique: Foundation paper piecing

Skill Level: Beginner

Class Fee: \$69

Required Supplies:

- Sewing machine
- 1 Package of Gigi's Thimble Pineapple Block Paper Piecing Papers
- Medium size self-healing mat
- 3-1/2" x 12-1/2" rectangular ruler
- Lots of bright fabric strips measuring 2" x WOF (width of fabric) or whatever length you can get if using scraps
- 10 white strips of fabric measuring 2" x WOF
- Coordinating thread for your machine
- Washable glue stick (recommended Elmer's brand)
- 2 Squares for the center of block that measure 2-1/4" x 2-1/4"
- Basic Sewing Supplies (straight pins and pin cushion, scissors, seam ripper, fabric marking pen or pencil, small cutting mat (no larger than 12x18), and a rotary cutter)

See Amber's blog for more details about color placement options - www.gigisthimble.com.

Wonky Down Under Quilt

with Paula McKinlay

Description:

Become an expert at half-square triangles in this beginners class! Complete several blocks, study color and pattern, and try to become experts at copying the Aussie. I have loved all the quilts coming from the Australian quilters. As a born and bred Yankee, I have been on a quest to duplicate their great look. This Wonky (another great word from down under) quilt is made for a twin bed, 70" x 90", but can be adjusted for your own size. It is a 10" finished block. You will LOVE half-square triangles by the time you are finished with the quilt!

Skylight

with Fran Gulick

Description:

Skylight is an incredibly versatile quilt with multiple design options and sizes. In this class, we'll tackle the beautiful modern ombre version and we'll use strip piecing to speed up sewing. This is the perfect class if you have been nervous about trying a quilt that's set on-point (meaning the blocks are turned 45 degrees and rest on a point).

Rise Above

with Charisma Horton

Description:

Rise Above is a sampler quilt made of several traditional blocks set in a modern setting. We will make these blocks and go through the beginner techniques of half-square triangles, magic flying geese, and playing with color. This would be great for all levels of quilters. The quilt finishes at 96" x 96". We will get through as many blocks as we can so that you will feel confident to leave class and finish on your own.

Dahlias

with LaVonne Jackson

Description:

This teaches a fun way to make quarter-square triangles and put the top part of the stem into the block as part of making the flower. This method creates two blocks of the same coloring at the same time with opposite rotations/mirror images. The rows are also assembled in vertical rows. Different colors change the appearance of the flower: when using yellow it looks like a sunflower, but change the coloring to red and it looks like a poinsettia!

Technique: Piecing
