Quilt of Many Colors

with Jen Belnap

Description:

Turn 18 Fat Quarters into a rainbow with this fun new quilt pattern- Quilt of Many Colors! This quilt is traditionally pieced and finishes at a 60"x 60" throw size quilt. This is a great quilt for the beginner quilter as well as a fast finish for a more experienced quilter. The vibrant hues are arranged in the traditional ROYGBIV color order with a little bit of pink thrown in too. Imagine wrapping yourself up in a soft and snuggly quilt that radiates all the colors of the rainbow. It's like a burst of happiness and comfort! In this class, we will go over the basics of quilt construction: cutting, pressing, stitching with a 1/4" seam. We will also go over how to trim the blocks to get the correct size, and we will discuss fabric placement so you can get that sweet rainbow color scheme in your quilt!

New England Quilt

with Jen Belnap

Description:

Fall in love with this New England Quilt! This big and modern maple leaf makes a big impact. This class is beginner friendly or if a seasoned quilter wants a quick finish, this quilt is for you! We will talk about color placement so this quilt really pops. Each leaf is a different color and we will talk about how to place the fabrics to create this effect. We will also talk about how to use the 'low volume' fabrics in this pattern that are included in a fabric collection. We will work on cutting and assembling the quilt top and go over basic instructions like how to get a perfect half square triangle. I will share multiple ways to create a half square triangle and you can pick the method that works for you. So grab your favorite Fall fabric 10" squares and we can make this together in time for the Fall season!
