# Wednesday, 9 am - 4 pm

## Happy Dash With Janet Nesbitt

*Technique: Piecing*

### **Skill level: Beginner**

In this class, students will learn the basics of Janet Nesbitt's "crazy" piecing technique with a cute project that can be completed during class. This trademark piecing method is easy and forgiving, ensuring quilting success for piecers of all levels. This is not a traditional piecing method in the sense that everything lines up, instead this as an alternative to traditional paper piecing which can be difficult for some that have difficulty working in reverse/from the wrong side. Note: this is not a machine quilting class.

**\$149 for Class (Lunch Included)**

**\$25 for Required Kit**

### *Required Supplies*

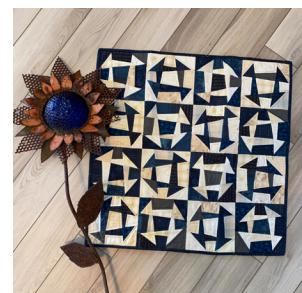

Sewing machine and basic sewing supplies

Freezer paper

Pencil

Ruler at least 12" long for tracing and cutting (i.e. 4" x 14" or 6" x 12" ruler min or longer)

60mm rotary cutter

## Beach Umbrella Day 1 With Judy Niemeyer

*Technique: Piecing, Foundation Paper Piecing*

### **Skill level: Intermediate**

Work with Judy Niemeyer and local Certified Instructor, Cindy Haddick, in this 2-day workshop to make a custom Quiltworx pattern called Beach Umbrella! This design is not available as a general Quiltworx publication but was specifically created for Garden of Quilts in 2022. In this class, you will learn some beginner and intermediate foundation paper piecing techniques necessary to make Quiltworx designs. While you will not finish your project during the workshop, you will be equipped with all the skills necessary to go home and finish your quilt successfully. The first day of class will focus on the center star, geese, and the spiked star border. Day 2 will include workshop time on the final border element and assembly. It will be the goal of the workshop to finish at least one, and possibly two of each of the individual elements in the quilt.

**\$289 for 2-Day Class (Lunch Included)**

**\$281 for the Wall Quilt and Pattern Kit or \$508 for the Queen Quilt and Pattern Kit**

The class will cover lots of helpful hints for sewing and cutting the 60-degree triangles and will break this complicated-looking quilt into simple steps. The quilt is made of 6 large red and white triangle blocks, framed by 4 green triangle blocks. The quilt is not quick to sew, but the pieces are large so anyone with a little experience dealing with 60-triangles can make it. This quilt features Heather's fabric collection Snowed In.

## Go Fly a Kite

With Jill Finley

*Technique: Piecing*

**Skill level: Intermediate**

This fun quilt appeals to all ages. Students will strip piece and learn to make half-rectangle-triangles, then put them together with half-square-triangles to make our kite blocks. You won't have time to finish the whole quilt top, but you will learn all the techniques you need to finish and add finishing details. Skill level is for a confident beginner and up.

**\$69 for Class**

**\$85 for Required Kit**

**Required Supplies**

Pattern is in my book, "Quilted Hugs". Each student will need a copy of the book.

**Preregistration required for classes. Visit [thanksgivingpoint.org/quilt](http://thanksgivingpoint.org/quilt) for more information and to register.**

Attendees should come prepared with basic sewing supplies (straight pins and pin cushion, scissors, seam ripper, fabric marking pen or pencil, small cutting mat (no larger than 12x18), rotary cutter) in addition to any supplies noted in class descriptions. Shared ironing and cutting areas will be available in each room. Thanksgiving Point members receive 10% discount on class registration. Member discount does not apply to kit fee.

## Piece Like Crazy With Janet Nesbitt

*Technique: Piecing*

### **Skill level: Intermediate**

In this class, students can select ANY crazy quilt from any One Sister or Buggy Barn publication. That's right – each student could potentially be making a different quilt! This is a fun class where students learn Janet Nesbitt's popular "crazy" piecing technique. This trademark piecing method is easy and forgiving, ensuring quilting success for piecers of all levels. This is not a traditional piecing method – instead, this is an alternative to traditional paper piecing which can be difficult for some that have difficulty working in reverse/from the wrong side. Once the lightbulb goes off, this is a fun method that is super quick to cut and piece. Depending on the student's project selection, each student should get a practice block done and get a good start on the remaining blocks. Skill level is for confident beginners and up.

**\$149 for Class (Lunch Included)**

### **Required Supplies**

- Crazy Book or pattern of their choice
- Fabrics per the pattern
- Sewing Machine
- Freezer paper
- Pencil
- 6" x 24" ruler
- 60mm rotary cutter
- 18 x 24 mat
- 20-1/2" square for squaring blocks
- Long pin or wonder clips for getting any remaining block pieces home

## Beach Umbrella Day 2 With Judy Niemeyer

*Technique: Piecing, Foundation Paper Piecing*

### **Skill level: Intermediate**

Work with Judy Niemeyer and local Certified Instructor, Cindy Haddick, in this 2-day workshop to make a custom Quiltworx pattern called Beach Umbrella! This design is not available as a general Quiltworx publication but was specifically created for Garden of Quilts in 2022. In this class, you will learn some beginner and intermediate foundation paper piecing techniques necessary to make Quiltworx designs. While you will not finish your project during the workshop, you will be equipped all the skills necessary to go home and finish your quilt successfully. The first day of class will focus on the center star, geese, and the spiked star border. Day 2 will include workshop time on the final border element and assembly. It will be the goal of the workshop to finish at least one, and possibly two of each of the individual elements in the quilt.

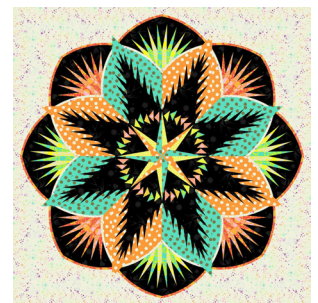

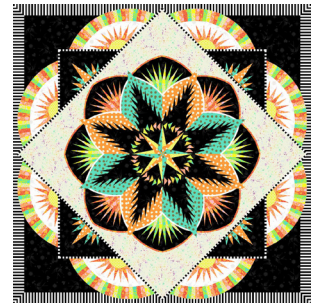

**\$289 for 2-Day Class (Lunch Included)**

**\$281 for the Wall Quilt and Pattern Kit or \$508 for the Queen Quilt and Pattern Kit**

### **Required Supplies**

- One Beach Umbrella Kit, purchased through [QuiltWorx.com/Garden-of-Quilts](http://QuiltWorx.com/Garden-of-Quilts)

## All the Good Quilt

With Mitzie Schafer

Technique: *Controlled Improv*

Skill level: **Beginner**

Come learn how to make the All the Good Quilt, which uses the foundational basics of what designer Mitzie Schafer calls "controlled improv." Controlled Improv is the use of common design elements found in nature to inform and inspire your next quilt so that your brain reads it as natural, cohesive, and beautiful. The All the Good Quilt pattern uses the foundational basics of this technique. So many of us quilters try improv and get discouraged. Mitzie has established natural boundaries to ensure success. This pattern uses 24 fat quarters to make a throw size quilt. It uses a full fat quarter bundle and doesn't waste any of the fat quarter.

In this workshop we will:

- Learn how to match fabrics up at the start to create the flow of color
- Learn how to lay the quilt out, utilizing the patterns basic controlled improv parameters
- Learn how to find balance in the layout

**\$69 for Class**

**Required Supplies**

Journal or blank pages to write on

Pen, Pencils, Black Sharpie fine point, colored pencils

Fat Quarter Bundles of 12-24 Blenders and/or solids

## Midnight Garden

With Heather Peterson

Technique: *Piecing*

Skill level: **Intermediate**

Create two different flower blocks and set them off with a navy backdrop for this dramatic midnight garden! This class covers some of Heather's favorite techniques and tools for doing basic quilting blocks like half-square triangles and folded corners. You will learn several different methods for each and then pick your favorite method. We will also cover several template-free methods for making the flowers by using basic quilting blocks. There are several size options in the pattern, including crib, lap, throw, and twin. The boxed kit is for the throw size option.

## In Bloom

With Fran Gulick

**Technique:** Piecing

**Skill level:** Intermediate

Take a piece of the Garden home with you! In this class, Fran will guide you from start to finish on making a Copihue quilt block (a Copihue is a bell-shaped flower, native to Chile, very similar in shape to tulips). Together, we will tackle curved piecing and go over cutting fabrics using templates and sewing curves (Drunkard's Path and Orange Peels). During class, we will make a baby-size quilt. You will walk away with all the skills necessary to make this quilt over and over, including the larger sizes included in the pattern (throw and queen).

The workshop will begin by introducing the two components of all curved pieces - the convex and concave pieces.

Then we will:

- Cut the pieces using the template included in the pattern
- Talk about pinning vs glue-basting pieces before sewing
- Sew a Drunkard's Path unit/block; press and trim.
- Sew an Orange Peel unit/block; press and trim.
- Put the block together (how to nest pieces to eliminate bulk)
- Put the final quilt top together.

## Controlled Improv Part 1 - Color Theory

With Mitzie Schafer

Technique: *Color Theory, Controlled Improv*

**Skill level: Beginner**

Controlled Improv is the use of common design elements found in nature to inform and inspire your next quilt so that your brain reads it as natural, cohesive, and beautiful. This class will begin with a dive into common design elements by looking at how color behaves in nature. We will learn how to take a group of fabrics that feel "off" and find a flow that feels "right" to our brains instead. We will learn how to pair solid, blender, and print fabrics together. We will also learn how to order fabrics and place them in a quilt layout. This class may be taken with Part 2 – Design Elements or as a standalone class.

## Pineapple Block Foundation Paper Piecing

With Amber Johnson

*Technique: Foundation Paper Piecing*

**Skill level: Beginner**

Learn Amber's "Grab 'n Go" method of Foundation Paper Piecing (FPP) while making a classic Pineapple Block! This is a great block to learn FPP because it just uses squares and strips (no triangles!) and repeats the same few steps over and over. This is a great stash buster project and the oversized blocks (12-3/8" finished) give you a lot of bang for your buck. This block looks a lot harder than it really is! Plan on getting one block done in class.

**\$69 for Class**

**Required Supplies**

- 1 package of Gigi's Thimble 12-3/8" x 12-3/8" Pineapple Block Paper Piecing Pattern
- Washable glue stick (Elmer's or generic brand)
- Fabric scissors (large & small)
- Sewing machine
- Coordinating thread
- Iron & ironing board
- Acrylic ruler
- Medium size cutting mat
- Lots of dark and light strips of fabric that are 2" wide x varying lengths
- 2-1/4" square for block center

## Love Actually

## **Beyond the Horizon** With Jennifer Long

*Technique: Piecing*

### **Skill level: Beginner**

Join Jennifer Long, Riley Blake fabric designer and quilt pattern writer, in this beginner-friendly quilt class. Do you collect those beautiful 2 1/2" precut rolls of fabrics but don't know what to make with them? In this class, Jennifer will teach you how to use the Bargello tube technique to achieve the movement on this quilt. The Beyond the Horizon quilt pattern is strikingly beautiful and such a relaxing sew, no triangles and corners to match and trim! All you need is one precut roll and a bit of yardage to sew it all together. Depending on your color palette, you can make this quilt appear to be from earth to sky, sand to ocean, rain to rainbow, or garden to flowers. We can't wait to see your Beyond the Horizon quilts!

## Controlled Improv Part 2 - Design Elements

With Mitzie Schafer

Technique: *Design Theory, Controlled Improv*

### Skill level: Beginner

Controlled Improv is the use of common design elements found in nature to inform and inspire your next quilt so that your brain reads it as natural, cohesive, and beautiful. In this class, we will move beyond color into other common design elements found in nature. This includes but is not limited to shape, size, direction, patterns, spirals, and repetition. We will learn how to identify them, list them, and then order them for use. This will determine placement of squares, rectangles, triangles, stripes, and curves in your designs. It will also define size and placement.

This class may be taken with Part 1 – Color Theory or as a standalone class.

## Barn Star

With Deonn Stott

**Technique:** Piecing

**Skill level:** Beginner

Clean lines and classic design; quilts don't get much easier than that! Quickly piece this stunning bed-size quilt with big, easy blocks (no "Y" seams) to make a big impression! Class discussion will include some of Deonn's best tips for precision piecing, using directional prints, and will wrap up with a mitered border demonstration. Additionally, students will learn some of Deonn's favorite tips for pinning, tricks for pressing, and tools for trimming blocks with precision. We will cover how to cut fabrics that have a directional design, some shortcuts for speed-piecing, and how to pre-cut mitered borders to frame the quilt center. Throughout the course of this 3-hour class, students can expect to complete the center star of this quilt and be equipped with the techniques they'll need to finish the full quilt at home.
