FIRE AND ICE

The **Fire and Ice** show is a spectacle unlike any other—and although these two polar opposites may be destined to oppose, they are stronger and more beautiful together than they are apart.

Festival of Fountains showcases a beautiful display of color, texture, and patterns that help you and your family connect with the holiday spirit.

As you watch, we invite you to reflect on the joys of the world around you.

FIRST SHOW: 5:30 PM

LAST SHOW: 10:00 PM

*Shows alternate between **Fire and Ice** and **Festival of Fountains** every 10 minutes.*

Each show is less than 5 minutes long.
