Meet Peter Magleby

Peter joined Thanksgiving Point in October of 2023 and has made such a great addition to our department. He is always busy and has always has a smile ready and willing to help. His detail-oriented approach and passion for our vision is a great example to all who come into our office as new hires and leave as new Thanksgiving Point team members. Peter grew up in Gilbert, Arizona and moved to Utah in 2019 to study at BYU. He graduated from BYU in 2022 with a bachelor's in Human Resource Management, so this position of HR Generalist at Thanksgiving Point is perfect for him! While he is still fairly fresh into his career, he has never felt so committed to an organization's mission and values; He says, "It is such an honor to get to work here!"

He comes from a family of 4 and is the younger of 2 kids. Both he and his older sister are now married, and his little family recently grew with the birth of his niece! He has been married about 3.5 years to his wife, Kenzi, and she is simply amazing and the best friend he has ever had. They love to be outdoors when it's warm outside to play Spikeball, go on hikes, camp, or just play yard games. They love card, board, and dice games (favorites include Skull King, The Great Dalmuti, and Harry Potter Hogwarts Battle). They also love to go on trips and are slowly checking all the National Parks off their list. Personally, he loves to play tennis, racquetball, and pickleball, playing the piano and singing bass in choirs, and spending time with friends and his cousins that live nearby. He loves meeting new people and strengthening relationships, so please come stop the HR Office front desk to say hi and chat!

Thank you!
