

Celebrate Valentine's Day at Thanksgiving Point

With music by the Utah Swing Orchestra and a special three-course dinner, this memorable event will take date-night to the next level

LEHI, Utah (January 12, 2022) – Thanksgiving Point is delighted to host the Valentine Dinner Dance on February 12 and February 14, 2022, in the Thanksgiving Point Show Barn. This romantic event will feature a delicious three-course dinner, dancing, and live music from the Utah Swing Orchestra.

Thanksgiving Point has celebrated Valentine's Day with the Dinner Dance for over 10 years but was unable to host the event in 2021 due to COVID-19. This year's theme is "Our Story," inspiring couples to reflect on their relationship and celebrate their futures together. The delicious three-course dinner, brought to guests by Harvest Restaurant Head Chef Jason Merryweather, will start the evening.

The Utah Swing Orchestra will start performing soon after dinner is served. This lineup of world-class players performs all over the country and delivers exact renditions of original swing arrangements. Once they are finished with dinner, guests are invited to the dancefloor for an unforgettable night of dancing with their sweetheart.

Doors for the Valentine Dinner Dance open at 6 pm on February 12 and February 14. Dinner will be served at 7 pm, and dancing will continue throughout the evening until 10 pm. All-inclusive admission is \$75 per person. Tickets are available on thanksgivingpoint.org.

Thanksgiving Point is also partnering with the Home2 Suites by Hilton to deliver the Romantic Sweetheart Getaway package. Guests may enjoy a stay at the Home2 Suites by Hilton, just a few minutes away from Thanksgiving Point's campus. Upon arrival to the Standard 1 King room, guests will find a bottle of sparkling cider, a wrapped rose, and chocolate-dipped strawberries. Those who reserve the Romantic Sweetheart Getaway package will also receive a \$10 discount per ticket to the dance. The room is \$139 and may be reserved by visiting thanksgivingpoint.org.
