

## **The Lyceum Philharmonic and GENTRI to Perform at Ashton Gardens**

*Thanksgiving Point welcomes the famed recording artists to the Waterfall Amphitheatre*

**LEHI, Utah** (May 11, 2022) – **Thanksgiving Point** is delighted to welcome the **American Heritage School's Lyceum Philharmonic and GENTRI** for a concert on Saturday, May 21 at 7:30 pm. This outdoor concert will be held at the Waterfall Amphitheatre, located inside the Ashton Gardens.

The American Heritage School's Lyceum Philharmonic has performed at Thanksgiving Point annually for 11 years and typically closes out the tulip season. This will be the first time that recording artists GENTRI will be performing alongside the Philharmonic at the Waterfall Amphitheatre, and the first time the event will be held after the close of the Tulip Festival.

The [Lyceum Philharmonic](#) is a youth ensemble comprised of students from more than 30 schools across Utah. Awarded "Best Orchestra" by the Best of State Utah each year since 2008, these accomplished young musicians just released their fifth commercial album. The philharmonic meets and practices at the American Heritage School in American Fork, Utah.

[GENTRI](#), short for "The Gentlemen Trio," is comprised of three dynamic tenors: Brad Robins, Casey Elliot, and Bradley Quinn Lever. Pioneering a signature sound they call "Cinematic Pop," the music of GENTRI is transfused with lush, epic orchestrations and rich, dynamic three-part harmonies all composed by the group's producer Stephen Nelson. They are the perfect complement to the award-winning Lyceum Philharmonic.

This year's performance will feature music selections from *The Greatest Showman*, *West Side Story*, *The Beatles*, and hits from both GENTRI and the Lyceum Philharmonic's recent albums.

This performance will take place on Saturday, May 21. Doors to the concert will open at 6 pm and the performance will begin promptly at 7:30 pm. The Ashton Gardens are located at 3900 N Garden Drive in Lehi, Utah. The Waterfall Amphitheatre is located within the gardens, at the base of the largest man-made waterfall in the western hemisphere, creating a breathtaking backdrop during the performances.

VIP Parking is limited but available for \$12 per vehicle. General admission is \$25 per person and Reserved Seating is available for \$45 per person (with Thanksgiving Point members receiving a 10% discount). For more information and to reserve tickets to this event, please visit [thanksgivingpoint.org](http://thanksgivingpoint.org).
