

THANKSGIVING
POINT

Team Member of the Month

CAILEE WIGHT

April 2025

Team Member of the Month

Meet Cailee,

Cailee Wight joined Thanksgiving Point on June 18, 2024, as the Assistant Manager for the Catering Department and has rapidly established herself as a vital team member.

While excelling in her role, Cailee is also pursuing a degree in Architectural Design at Weber State University. She masterfully juggles her demanding schedule, striking a remarkable balance between her commitment to family, academic ambitions, and professional responsibilities.

Recently, Cailee collaborated in designing a comprehensive service training program that led to the successful onboarding of eighteen new servers. This showcased her leadership abilities and commitment to her team and the catering department. She brings an infectious energy to the team, blending fun with professionalism, which has garnered her deep admiration and respect from her team.

Originally from Logan, Utah, Cailee dreams of returning one day to be closer to her family, who still live there. Currently, she resides in American Fork with her husband, Jake, and their two adored golden retrievers, Ruby and Scarlett.

At Thanksgiving Point, Cailee shines in event oversight and preparation, which helps the team execute with precision. Yet, her true passion lies in working alongside our extraordinarily talented service team. Cailee's compassion, relatability, and enthusiasm for listening and sharing stories enhance the team dynamic. Cailee's unwavering work ethic, dependability, and valuable contributions make her an invaluable member of our team.

Thank You!

CAILEE WIGHT
