# Team Member of the Month

## Meet Aura,

We are thrilled to recognize Aura Maria as Team Member of the Month! In her short time here, she has made an incredible impact through her fun-loving, positive approach to work. As our HR Generalist, she helps new hires feel welcome and excited to join their teams and be a part of our mission. She always has a willing attitude and goes above and beyond to find answers to questions and learn about the ever-changing nature of her role. Her support to our team members is vital and so appreciated. It has made our daily operations run smoothly and created a lasting impact across every team she has interacted with. Not to mention her amazing, fluent Spanish!

Aura Maria is originally from Colombia and also spent a lot of time in New Jersey as a kid. She and her family now live right here in Lehi and have loved coming to Thanksgiving Point for many years before being a team member. She is always down for a gluten-free treat or dancing to nearly any kind of music.

Please join us in expressing our gratitude and excitement to Aura Maria! We love having her vibrant perspective, caring adaptability, strong sense of ownership, problem-solving, positive attitude, and reliability here at Thanksgiving Point. She is someone others trust and enjoy working alongside. We love having her as a part of our team!

*Thank you!*
