

THANKSGIVING  
POINT™

# Team Member of the Month

**CARTER MOORE**  
*January 2026*

# Team Member of the Month

## Meet Carter,

Carter Moore has been selected as Employee of the Month in recognition of his outstanding work ethic, reliability, and positive impact across campus. Originally from Kuna, Idaho, Carter is currently attending UVU with plans to pursue a career in financial planning. Outside of work, he enjoys spending time outdoors and working on his car, interests that reflect his hands-on mindset and problem-solving nature. Carter works all over campus and is responsible for Curiosity Farms, where he has consistently demonstrated strong ownership, attention to detail, and a commitment to improving the areas under his care. He also does most of the plumbing across campus.

Carter has made a particularly significant impact through his dedication to staying on top of work orders and preventative maintenance tasks, ensuring issues are addressed efficiently and proactively. He has also covered most Luminaria nights, responding quickly to needs as they arise and helping ensure each night runs smoothly. His responsiveness, skill set, and willingness to step up when needed have not gone unnoticed. Carter's positive attitude and dependable performance make him a valued member of the Facilities team, and we are grateful for the high standard he brings to his work every day.

*Thank you!*
