# Manager of the Month

## Meet Kate,

Although Kate has only been with Thanksgiving Point for a short time, she has already made an incredible impact on our organization. Her leadership during the planning and execution of Imaginaria has been exceptional, helping bring creativity, energy, and innovation to one of our most important guest experiences.

Kate has quickly distinguished herself through her outstanding work ethic, willingness to take on challenges, and ability to lead unique and creative projects from concept to completion. She consistently approaches her work with enthusiasm and a solutions-focused mindset, inspiring those around her while delivering high-quality results.

One of the things that stands out most about Kate is her creativity. She has a remarkable ability to develop fresh ideas and transform them into memorable experiences for our guests. Whether she is designing new elements for Imaginaria, collaborating with team members, or solving complex operational challenges, Kate brings vision, attention to detail, and a commitment to excellence.

Beyond her creativity, Kate has demonstrated strong leadership qualities. She has earned the trust and respect of her colleagues by leading with confidence, positivity, and a willingness to roll up her sleeves and do whatever is needed to help the team succeed.

We are incredibly grateful for the impact Kate has made in such a short period of time and are excited to see her continued growth and contributions at Thanksgiving Point. Congratulations, Kate, and thank you for the passion, creativity, and leadership you bring to our team every day!

*Thank you!*
