Team Member of the Month

Meet Tayla,

For nearly a year, Tayla has been an outstanding supervisor for our concessions team. She consistently puts her customers and coworkers first, leads by example, and is always willing to work hard to help the team succeed.

This year, she graduated from high school and will be attending Utah Valley University, where she is pursuing a bachelor's degree in Business and Analysis. Her goals for the next year are to continue growing in her position, work toward her degree, and make her mom "the proudest mom out there."

Outside of work, she enjoys spending time with friends, attending concerts, and going to festivals. Thank you, Tayla for your dedication, leadership, and positive attitude

Thank you!
