It is with great excitement that we recognize Melanie Delgado as our Manager of the Month. Melanie has consistently demonstrated what it means to be an exceptional leader within our Events Department through her hard work, dedication, creativity, and commitment to excellence.

Melanie is an amazing Event Manager who continually goes above and beyond to create world-class experiences for our guests, clients, and team members. Her ability to connect with customers, understand their vision, and execute events at a high level has made a tremendous impact on our department and the overall guest experience at Thanksgiving Point.

What truly sets Melanie apart is her vision and creativity. She has an incredible ability to think outside the box, bring fresh ideas to the table, and elevate every event she touches. Whether she is coordinating a large-scale signature event, managing logistics behind the scenes, or supporting her fellow team members, Melanie approaches every challenge with professionalism, positivity, and determination.
