

THANKSGIVING
POINT

Manager of the Month

JAMES MCCORRISTIN
May 2025

Manager of the Month

Meet James,

James has done it again! During his time at Thanksgiving Point he's turned concessions into a well-oiled, record-breaking machine. The Tulip Festival was a huge success this year, and a big part of that was the hard work and leadership James brings to his team every day. His dedication, consistency, and ability to deliver results under pressure make a real impact across the board. He and his team set some new sales records for a single day and things went smoothly and efficiently. James has valuable input with decision making for the food service team and if we need support he is there to jump in and save the day. It has been awesome watching him continue to make improvements to his department and find ways to improve his operations.

March is James' favorite month because of March Madness. He is a big BYU basketball fan and always has the best picks each season. James and his wife Alyssa have a beautiful girl Memphis who is 2 ½ years old. They both enjoy bringing their girl to Thanksgiving Point and visiting the venues and stopping for some blue or pink ice cream at Ice Age Creamery.

Congratulations, James — and maybe leave a few records for the rest of us to break

Thank you!

JAMES MCCORRISTIN
