# Where **Curious Kids Grow**<sup>TM</sup>

At Thanksgiving Point, our goal is to make STEM learning accessible to all children in Utah, no matter their economic situation.

With your help, our Every Kid Counts program:

- Provides free access to our venues to all kids on SNAP or WIC benefits
- Brings science learning to communities and classrooms across Utah
- Partners with other child-focused nonprofits to provide their kids with science education

**Thank you for supporting our mission!**

## **THANK YOU TO OUR SPONSORS**

**SWIRE COCA-COLA**
