

# Curiosity Farms Key

- |                          |                          |
|--------------------------|--------------------------|
| 1 Welcome Building       | 7 Whistle Stop Station   |
| 2 Innovation Station     | 8 Saddle Up Stables      |
| 3 Show and Tail Pavilion | 9 Curiosity Pavilion     |
| 4 Livestock Learning Lab | 10 Grow Tech Gardens     |
| 5 Barley Room            | 11 Play Patch Playground |
| 6 Alfalfa Room           |                          |

Explore the latest and greatest in farm science and technology at Curiosity Farms. Meet and greet fan-favorite farm animals, check out brand-new farm tech, and explore the pasture for hands-on fun.

Whether you're helping our team harvest food in the Grow Tech Gardens, climbing to the top of the alfalfa climber, or riding a pony for the first time, each experience will be a core memory. Children will grow confidence in STEM as they explore and learn at Curiosity Farms.
