## STORIES ON DEMAND

This year's storytellers have recorded every story that would have been performed at our on-site Festival, providing you with over 50 hours of stories.

The stories will be arranged so you can watch any story, anytime, and as many times as you wish. Each story will be "tagged" so you can quickly find a particular story genre or find stories that would appeal to a specific age group. All daytime performances will be available from Friday, September 11 at 8:00 am until September 20 at midnight (MDT). Evening events will stream live at the times listed, and will be available afterward for repeated viewings.

## How Can I Get Involved?

### SUBMIT A "PORCH PORTRAIT"

We'd love to see who is joining our virtual Festival! Submit a family or group "Porch Portrait" (or wherever you're watching). You could even wear your TSF shirts or other swag, or make a homemade TSF sign if you wish. You may win a prize for your creativity! Be sure to tag @TimpFest and use the hashtag #UnityThroughStory so we can see your submission.

### SPREAD THE WORD!

This year, we are thrilled to have the opportunity to share the Festival with those who aren't usually able to join us! If you know someone who would love a great story, spread the word!
